Dear Parent

I am writing to inform you of an opportunity to join our Local Governing Body as a Parent Governor. There is **one** vacancy.

The role of the Local Governing Body

The Academy's Local Governing Body is a committee of our Trust Board and its role is to uphold Lincolnshire Gateway's vision, values, policies and priorities, to provide oversight and assurance for the Academy's educational performance and to develop and strengthen the Academy's links with the local community. Each local governor is expected to challenge, question and support the Academy's leadership. The Local Governing Body is passionate about education and committed to continuous school improvement to ensure the best possible outcomes for our students.

The role of a parent governor

As a parent governor, you will work with the Local Governing Body to ensure it effectively carries out the duties referred to above. You will also play a vital role in bringing a parental perspective to the Local Governing Body, but you are not there to speak 'on behalf' of the parent body.

To be a parent governor you should have:

- A strong commitment to the role and to improving outcomes for children
- Good interpersonal skills, curiosity, and a willingness to learn and develop new skills
- Excellent communication, critical listening and the ability to ask effective questions
- Skills and experience in any of the following areas: understanding of data, knowledge of education, leadership and management skills, risk management skills, legal expertise or marketing and communications skills.

Expectations of governors

Local governors are expected to attend regular meetings (usually between 3 and 6 per academic year), be committed to training, be keen to take on a Link Governor role, eg SEND/safeguarding, etc.

The term of office is for a 4-year term. New governors must undertake to complete a full DBS check before commencement of their term.
